

Dear Parent.

The *Modern Studies Club* encourages pupils to take an interest in important news events. It does so with weekly quizzes and puzzles which cover current news stories and build background knowledge of key Modern Studies topics.

The club is run by experienced Modern Studies teachers who design the quiz sheets to be 'short, sharp and fun'. To add interest, the questions often include general topics such as television, sport and music.

If you wish to receive the weekly quiz sheets for your youngsters you can join the *Modern Studies Club* online at www.schoolsproject.co.uk. A subscription costs £10 per year.

The quiz sheets cater for youngsters from first year of secondary school through to those currently sitting Standard Grade courses. There are also occasional materials for students of Higher Modern Studies.

Kind regards,

Patrick Gaffney
